La ditta EFFESSE SCALE si occupa della progettazione, realizzazione e costruzione di scale a giorno, scale a chiocciola e barriere nei diversi materiali: dal classico e intramontabile legno e ferro fino ai materiali più di tendenza quali vetro e acciaio inox. Le nostre scale sono tutte realizzate su misura, personalizzandole al gusto del cliente affinché diventi un complemento d'arredo armonioso all'interno dell'abitazione.

Potete trovare sul nostro sito internet **www.effessescale.it** ulteriori fotografie di progetti realizzati e tutti ambientati.
